## 1. Personal Details

<b>Name: Ashraf Mohamed Soliman</b>	<b>Birth Date: May 27th, 1971</b>
<b>Nationality: Egyptian</b>	<b>Marital Status: Married</b>
<b>Contact Address:</b> Current: (from now to July, 15, 2015) Flat 11, Building No. 1020, Road No. 4126, Block No. 941, Buhair, kingdom of Bahrain Permanent: (from July, 17 <sup>th</sup> , 2015 to September, 1 <sup>st</sup> , 2015) Villa Dr. Ashraf Soliman No. 7, opposite to Masjed Al-Morsallen, Takssem Al-Mohafza, Kharga, Al-Wady Al-Jadid, Egypt	
<b>Tel. :</b> 00973 36934656 (Bahrain) 00201113093664 (Egypt)	
<b>E-mail:</b> arcgroupfec@gmail.com & arcgroupfec@yahoo.com	
<b>Website:</b> <a href="http://www.ashrafmahrous.yolasite.com">www.ashrafmahrous.yolasite.com</a> <a href="https://scholar.google.com/citations?user=mn9gvzwAAAAJ&amp;hl=en">https://scholar.google.com/citations?user=mn9gvzwAAAAJ&amp;hl=en</a>	

## 2. Education

### Doctoral Degree (Ph. D. of Architectural Engineering)

<b>Period</b> From: September 1999 To : March 2003	<b>Institution:</b> Slovak University of Technology in Bratislava
<b>Title of the Doctoral Programme:</b> Architectural Engineering “Urban Planning”	
<b>Title of the Dissertation:</b> Using GIS technique in Urban Planning of Desert Cities	

### Master Degree (M. Sc. Of Architecture and urban design)

<b>Period</b> From: September 1994 To: March 1998	<b>Institution:</b> Minia University, Faculty of Engineering, Egypt
<b>Title of the Graduate Programme:</b> Architectural Engineering	<b>Specialisation:</b> Planning and urban Design of Resorts
<b>Title of the Thesis:</b> Planning and Urban Design of Touristic Villages in Inland Desert Areas Case study of New Valley region, Egypt	

### Professional Degree (B.Sc. of architecture)

<b>Period</b> From: September 1989 To : June 1994	<b>Institution:</b> Minia University, Faculty of Engineering, Egypt
<b>Professional Title:</b> Bachelor of Science in Architectural Engineering (B.Sc. of Architectural Engineering)	

## 3 . Primary Areas of Expertise in Teaching

- Interior Design I. II. And III
- Interior construction I
- Architecture Design Studio (Level 1, 2, 3, 4, and 5)
- Building Construction I & II
- Working Drawing Documents
- Technical installations
- Urban planning
- City and regional planning
- Applications of Computers in Architecture and urban planning (CAD 2d, and CAD 3d)
- Application of GIS in Urban planning
- Research Methods

#### 4 . Teaching Experience

<b>Institution (1):</b> College of Architectural and design, Kingdom University, Kingdom of Bahrain	
<b>Rank:</b> Assistant professor (Full time)	<b>Period:</b> September, 2011 : May 2015
<b>Rank:</b> Associate professor (Full time)	<b>Period:</b> June 2015 : present
<b>Principal Courses Taught:</b> <ul style="list-style-type: none"> <li>- Architectural Design Studio III</li> <li>- Interior Design I , II, and III</li> <li>- Architectural Graduation Project</li> <li>- Building Construction I</li> <li>- Building Construction II</li> <li>- Working Drawing Documents I, II</li> <li>- Technical Installations</li> <li>- GIS Applications in urban planning</li> <li>- Computer Aided Drafting I, II</li> <li>- 3D max</li> <li>- Introduction to city and regional planning</li> <li>- Research Methods (Post Graduate students)</li> <li>- Supervisor of two Master thesis (Defensible Urban Space in Bahrain, and Alive Architecture)</li> </ul>	
<b>Administrative &amp; Academic Duties Undertaken:</b> <ul style="list-style-type: none"> <li>- Head of Staff Development Unit at Kingdom University</li> <li>- Chairman of Interior Design Department</li> <li>- Chairman of College programs development committee</li> <li>- Chairman of College social services committee</li> <li>- Chairman of college Exams moderation committee</li> <li>- Chairman of College Research committee</li> <li>- Member of University publication &amp; printing committee</li> <li>- Member of college quality assurance committee</li> <li>- Member of review and developing university policies committee</li> <li>- Chairman of viva voice panel for two master students</li> </ul>	
<b>Institution (2):</b> 10 <sup>th</sup> of Ramadan institute for engineering and technology (New Minia, Egypt)	
<b>Rank:</b> Assistant lecturer (Part time)	<b>Period:</b> September 2003: September 2011
<b>Principal Courses Taught:</b> <ul style="list-style-type: none"> <li>- Architectural Design Studio</li> <li>- GIS Applications in urban planning</li> <li>- Applications of Computers in Architecture and urban planning (CAD 2d, and CAD 3d)</li> <li>- Working drawing documents</li> </ul>	
<b>Institution (3):</b> Architectural Engineering Department, faculty of Engineering, Minia University, Egypt	
<b>Rank:</b> Assistant lecturer, lecturer, and Assistant Professor (Full time)	<b>Period:</b> October 1994: September 2011

**Principal Courses Taught:**

- GIS for geographic students at faculty of Art (Department of Geography)
- Remote sensing geographic students at faculty of Art (Department of Geography)
- Architectural Design Studio IV
- Urban and regional Planning
- Graduation project
- GIS Applications in urban planning
- Applications of Computers in Architecture and urban planning (CAD 2d, and CAD 3d)
- Quantities and specification of Building materials
- Application of statistics in architectural and urban planning
- Physics & buildings Construction
- Working drawing documents
- Building construction

**Administrative & Academic Duties Undertaken:**

- Member of quality assurance committee (in Department level)
- Member of postgraduates studies and research committee (College level)
- Member of architectural engineering department council

**5 . Publications****Books :**

- Introduction to the regional and urban Planning, Faculty of Engineering, Minia University , 2004
- Principles of Environmental Design of Tourist Villages, Faculty of Engineering, Minia University, 2004
- The Guide of ArcView GIS Program's Users, Faculty of Engineering, Minia University, 2004

**Articles in Periodicals journal**

- Ashraf M. Soliman , Hamad Alfazari (2014), "Definable Urban space in Bahrain" *IJRET International journal of research in Engineering and Technology* issue 10, vol. 3 October 2014 pp249:265, India.
- Ashraf M. Soliman , (2013), "Impact of Cemeteries on the development of urban settlements In EGYPT " Accepted by (*JAPR*) *journal of Architecture and planning research*, USA (it is under press)
- Ashraf M. Soliman, (2007), "GIS modeling of site selection for new urban settlements as expansion areas" *Bulletin of The Faculty of Engineering Minia*, issue 1, vol. 26 January 2007 pp. 1:10 , Egypt.
- Ashraf M. Soliman, (2009), "Effect of Road Network Form on Achievement the Human Scale through enhancing the mental image of Egyptian City, Case of Kharga City. *Bulletin of The Faculty of Engineering Minia*, issue 2, vol. 27 July 2008 pp. 1:15 , Egypt.

**Papers Submitted at Scientific & Professional Meetings (congress, conference, symposia, etc.)**

- Ashraf M. Soliman & Mohamed Nabawi (2005), "Toward A New and Accurate Tools for Sites Selection of Settlement's Urban Growth in Egypt" *proceedings of The 6<sup>th</sup> Architectural International Conference, Faculty of Engineering, Assuit University, Egypt.*
- Ashraf M. Soliman, P Specka, and M. Kysilka (2002) "Application of GIS in the Analysis of Historical Urban Development of Kharga City, Egypt" *proceedings of conference of "Architecture and urban aspect of countryside, faculty of civil engineering, STUBA, Slovakia.* And online publication website: <http://www.geospatialworld.net/Paper/Application/ArticleView.aspx?aid=303>

Kysilka (2002) "Toward a great water resource for agriculture and a soft weather for tourism In inland western desert of Egypt" *proceedings of conference of "Architecture and urban aspect of countryside, faculty of civil engineering, STUBA, Slovakia.* And online publication website: <http://www.geospatialworld.net/Paper/Application/ArticleView.aspx?aid=1298>
- Ashraf M. Soliman, A. Korain, M. Al-Aagamy, and S. Kamel, (1997) "Architectural Design Characteristics of Tourist Villages in Inland Desert Areas, Case of New Valley Region" *proceedings of The 3rd Architectural International Conference "Architectural Design and Planning of Desert" Held in Assiut University, Egypt*
- Ashraf M. Soliman, A. Korain, M. Al-Aagamy, and S. Kamel, (1997) "Planning Characteristics of Tourist Zones In Inland Desert Areas, Case of New Valley Region" *proceedings of The 3rd Architectural International Conference "Architectural Design and Planning of Desert" Held in Assiut University, Egypt*

## 6 . Computer skills

• AutoCAD 2D	Since 1994
• AutoCAD 3D	Since 2000
• 3D Max	Since 2004
• ArcGIS Desktop	Since 2003
• Revit Architecture 2015	Since 2015

## 7 . Professional Membership

Organisations:	Since
• Consulting unit at faculty of engineering, Minia Univesity (Architect )	2003
• Egyptian engineer syndicate, Egypt (Architect Engineer membership)	1994
• General Organization of Physical Planning at Ministry of Housing & Urban planning , Egypt (Expert planner)	2006
• Egyptian engineer syndicate, Egypt (Consultant Engineer of Urban planning)	2010

## 8 . Other Training and Educational Activities

• Internal Audit reviewer of accreditation & Quality Assurance and Community Engagement offices in Kingdom University, Bahrain 2015
• External Program reviewer for Ahlia University, Bahrain 2014-2015
• Quality Management System Internal Audit Training, in Kingdom University, Bahrain 2014
• External assessment moderator for Ahlia University, Bahrain 2013-2015
• Organizer of 3 <sup>rd</sup> KU winter Practicum for Architecture & Design, University of Derby, UK, 2014
• Member of organizing committee of The 6 <sup>th</sup> ASCAAD International Conference, Manama 2012.
• Member of organizing committee of 1 <sup>st</sup> KU winter practicum for Architecture and Design, Manama 2012.
• President of (CBOTPT) Council of Board of Trustees of Parents and teachers in EL-Kharga experimental school for languages (2007-2011) Egypt
• Consultant Member, Higher Education Council of New Valley Region, Egypt.
• Member of many committees such as Quality assurance, Programs development, Publication & printing, and Postgraduate & researches committee.

## 9 . Professional Experience

<b>Employer (1):</b> ArcGroup For Engineering consultants (my own consultant bureau)	
<b>Position:</b> General Manager	<b>Period:</b> 2003 : 2011
<b>Project Types:</b> Design of residential buildings, Design of villas, Planning and Land subdivision of more than 10 projects	
<b>Other Activities</b>	
<b>Employer (2):</b> General organization of physical planning , Cairo, Egypt	
<b>Position:</b> Project manager	<b>Period:</b> 2005 : 2011
<b>Project Types:</b> Strategic Master Plan of many villages in Minia and Sohage governorates, Detailed Plan of many villages in Minia and Sohage governorates	

**Other Activities**

Organizing and managing meetings with the development partners in municipalities of urban and rural settlements

**Employer (3):** Consultant group for engineering, development, and environment, Prof. A. Korin, Kharga, Egypt

**Position:** Project manager

**Period:** Feb. 1998 : July 1999

**Project Types:**

Design of governmental public buildings in New Valley government, Design of governmental housing projects

**Employer (4):** Consultant office, Prof. Faek El-Kashef, and prof. Mohamed Ali Hassan, Minia, Egypt

**Position:** Arch. Designer

**Period:** Feb. 1996 : Feb. 1998

**Project Types:** Design of Many Multisensory residential buildings

**Employer (5):** H.A Total design Consultant office, Prof. Tarek Abdel-ateef, Cairo

**Position:** Arch. Designer

**Period:** Nov. 1995 : Feb. 1996

**Project Types:**

Design of resorts, Design of office building, Design of residential commercial, and hotel complex building

**Employer (6):** progressive environmental architectural Consultant office, Prof. Khaled Fagal, Cairo

**Position:** Arch. Designer

**Period:** Sep. 1994 : Nov. 1995

**Project Types:**

Design of resorts, Design of various villas, Design of many residential buildings

**10 . List of Professional Experience projects**

Project Type	Project Title	Year
Urban and regional Planning	Master plan for villages of the Municipality of Nazlet	(2009)
	Master plan for the villages of El Minya Governorate	(2008)
	General strategic plan for villages of the Municipality of El Hawavesh, Ikhmem center, Sohag, Egypt	(2008)
	General strategic plan for villages of the Municipality of Estal, Samalout center, Al Minya, Egypt	(2006)
	General strategic plan for villages of the Municipality of Shosha, Samalout center, Al Minya, Egypt	(2005)
Land subdivision	Cooperative Society for construction and housing for employee in cultural Department in New valley	(2009)
	Cooperative Society for construction and housing for transportation syndicate members in New valley	(2008)
	Cooperative Society for construction and housing for employee in purveyance Department in New valley	(2008)
	Cooperative Society for construction and housing for engineers syndicate members in New valley	(2007)
	Cooperative Society for construction and housing for livery syndicate members in New valley, Egypt	(2007)
	Cooperative Society for construction and housing for employee in Education Department in New valley	(2007)
	Cooperative Society for construction and housing for employee Electricity sector in New valley	(2005)
	Cooperative Society for construction and housing for employee in New valley Radio station, Egypt	(2005)
	Cooperative Society for construction and housing for employee in health affairs Department in New valley, Egypt	(2005)
	Cooperative Society for construction and housing for employee in society affairs Department in New valley, Egypt	(2005)
Cooperative Society for construction and housing for employee in New Valley governorate, Egypt	(2005)	
Urban studies	Urban planning for New Hendaw village, Egypt	(1998)
	Urban planning for El Monira Village, Egypt	(1998)
	Urban planning for Naser El Thawra village, Egypt	(1998)
	Master Plan El Bostan general park in El Kharga, Egypt	(1998)

	Master Al Amal general park in El Kharga , Egypt	(1998)
Architectural design	42 projects (privet villas, residential towers , Public buildings, Egypt	(1994-2011)
